

# FIRE EVACUATION INSTRUCTIONS HSD

## UPON DISCOVERING A FIRE

- Raise the alarm by activating a break glass (red box)

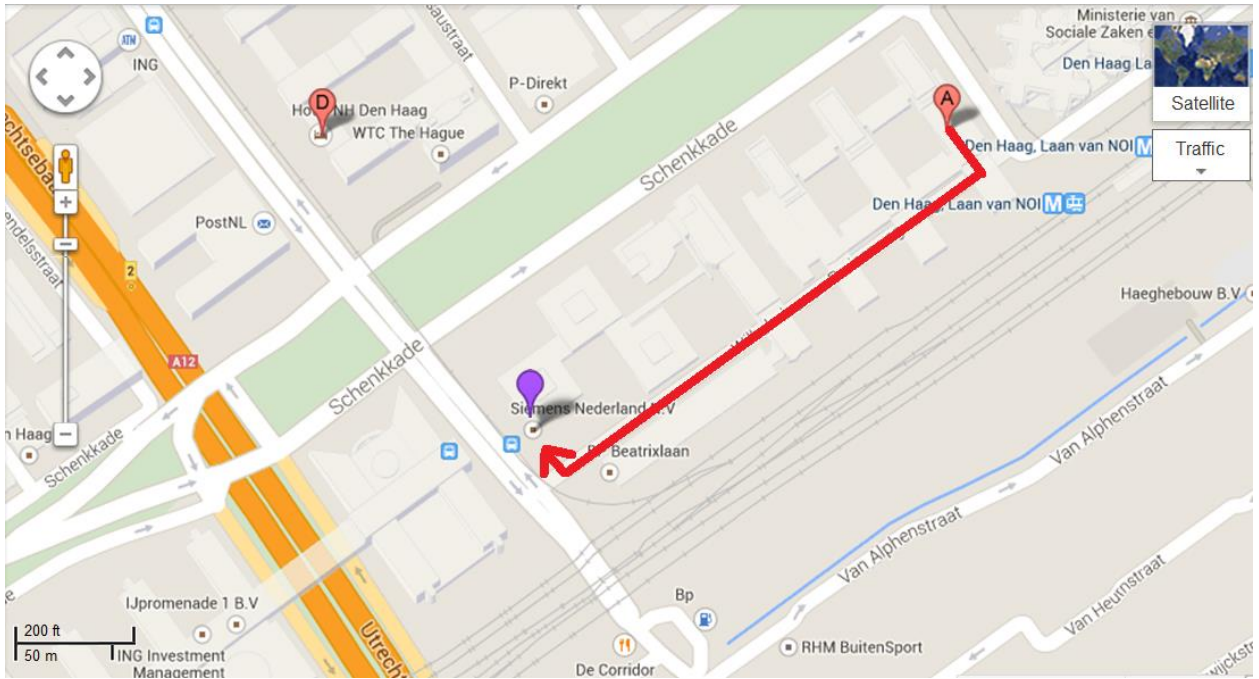

- Remain calm. Do not stop to pick up personal belongings.
- Proceed to the **nearest** emergency exit by following the green signs
- Do not use the lifts.
- Go to the Fire Assembly Point, use the emergency exit (near the elevator) **(Siemens building, Prinses Beatrixlaan 800 2595 BN Den Haag, which is right when you walk out the building)**
- Do not enter the Headquarters building again until informed by a BHV member (identified by their reflective jacket) or member of the Fire Brigade, that it is safe to do so.

## UPON HEARING THE FIRE ALARM

- Do not stop to pick up personal belongings.
- Proceed to the **nearest** emergency exit by looking for the green signs
- Do not use lifts.
- Go to the Fire Assembly Point, use the emergency exit (near the elevator) **(Siemens building, Prinses Beatrixlaan 800 2595 BN Den Haag, which is right when you walk out the building)**
- Do not enter the Headquarters building again until informed by a BHV member (identified by their reflective jacket) or member of the Fire Brigade, that it is safe to do so.

Point A is the Headquarters building and the purple mark is the Siemens building.
